Mission Spotlight

Mission Aviation Fellowship (MAF) /Thiemann Family www.maf.org

Jason and Joselyn Thiemann joined MAF in 2007 as a pilot/mechanic family and headed to Lesotho, a small mountainous country in southern Africa. Jason was raised here in Brazil and his wife is from Indianapolis. They, along with their three children, now live in Africa and serve the people there.

In Lesotho, MAF does about 80% of its flying for the Lesotho Flying Doctors Service, caring for the people in remote mountain villages devastated by decades of drought, famine, tuberculosis and AIDS. Jason inspects, repairs and maintains aircraft and flies doctors, pastors, and critically-ill people in these remote areas.

The Thiemann Family would appreciate you joining them in prayer for the following:

- Jason's new role as Accountable Manager, which comes with added responsibility for the aviation operations of MAF in Lesotho
- That their newly-submitted tax exemption status will be approved. It is being met with resistance and is requiring a lot more paperwork and time than anticipated.
- Political and economic instability in the southern Africa region is now affecting Lesotho. Rising prices in fuel, utilities and staple food products are affecting those least able to bear it.
- A donation of Bibles, milk and handmade wool blankets has been given to distribute to the mountain clinics. Pray that those who receive God's Word on Bible, do so in their hearts as well.
