Mission Spotlight

HOUSE OF HOPE

The House of Hope, a division of Mission Teens Inc., is located right here in Brazil, Indiana and is a Christian facility where men and women can get hope and healing from drug and alcohol abuse, through Biblical counseling and training. Jesus saves many lives here and eventually the residents graduate from the program.

The House of Hope runs primarily on monetary and other donations so they are always in need of practical items for the residents such as toiletries, bedding, washing machines and other equipment, light bulbs, trash bags, food items, etc. They hold several fundraisers and yard sales throughout the year and always appreciate your un-needed item donations to put in their yard sales.

Because the residents are not home with their families at the holidays, the House of Hope also asks for Christmas sponsorship of the residents. The suggested amount is \$60 per resident and you can either send the money to the House of Hope where THEY will buy Christmas for the residents or YOU can choose to buy for the resident yourself and deliver the wrapped gifts to the House of

Hope. If you would like to sponsor one or more residents, please call Susan Rowan or Nicole Rosano at 812-446-1717. They can answer any questions you have and can provide you with Christmas wish lists of the residents.
